

SPRING

Dear Parents,

Spring is here! It is a time of seasonal change and a time to celebrate and learn. Your child will be bringing home artwork, papers & other special projects. Your encouragement and reinforcement will boost your child's self-esteem as well as help to stimulate future creative development and learning curiosity. All themes are planned to compliment and enrich curriculum & to meet the children's interest and learning needs.

March 4-8	Pets
March 11-15	St. Patrick's/Green
March 18-22	Garden
March 25-29	Spring/Easter
March 29	Annual Egg Hunt
April 1-5	Birds/Butterflies
April 8-12	Insects/Bugs
April 15-19	Circus fun
April 19th	Circus Day! 9am-Noon
April 22-26	Nursery Rhymes/Fairy Tales
April 29-May 3	Cinco de Mayo/Fiesta Days
May 6-10	Mother's Day
May 13-17	Ocean/Water
May 20-24	Luau/Water Day

The children will soon be enjoying the garden. The garden provides outdoor science explorations that cultivate their love of plants, gardening, and the environment. The children will be busy planting and caring for flowers, vegetable plants and seeds. Big juicy worms add to the excitement!

Sincerely,

Jumpstart Childcare & Learning Center Staff
